## Boppy Lounger & Similar Items

Infants can suffocate if they roll, move, or are placed on the lounger in a position that obstructs breathing, or roll off the lounger onto an external surface, such as an adult pillow or soft bedding that obstructs breathing.

Consumers should immediately stop using the recalled loungers and contact The Boppy Company for a refund.

## 4moms MomaRoo & RockaRoo (without factory repair)

On older models (as pictured), when the swing or rocker is not in use, their restraint straps can dangle below the seat and non-occupant crawling infants can become entangled in the straps, posing a strangulation hazard.

Go to [4momsrecall.expertinquiry.com](http://4momsrecall.expertinquiry.com) to register for a FREE strap fastener. Once installed, it is safe to use and to sell at JBF.

# ITEMS WE DO NOT ACCEPT

Due to safety concerns/risks, the following items are not accepted at any JBF Sales.

## Homemade Masks, Clothing, or Other Items

Due to safety risks and concerns, only factory-created masks or face coverings can be sold at JBF sales. And since homemade items are not held to the same safety standards as manufactured items, we are unable to accept them at our sales.

## Infant Sleep Products

JBF accepts cribs, bassinets, cradles, bedside sleepers, and play yards that meet current Safety Standards set by the Consumer Product Safety Commission and JBF quality/condition standards.

For all other items marketed or intended to provide a sleeping accommodation for an infant up to 5 months of age, the product must have a stand, meet stability requirements, and have a side height of at least 7.5 inches. All other infant sleep products are not accepted for resale at JBF.

## Cribs made before June 28, 2011

All Cribs made before June 28, 2011 are no longer considered safe for infants—that includes all dropside cribs as they pose significant risks to infants. They cannot be sold or donated.

For cribs manufactured on or after June 28, 2011, a completed **Crib Waiver** is Required.

## Crib Bumpers & Rail Teethers

All types of Crib Bumpers and rail protectors/teethers are no longer considered safe for cribs. These will not be accepted or sold at Just Between Friends Sales.
